

RESPIRE STAYS

HELP FOR CAREGIVERS OF LOVED ONES WITH MEMORY LOSS

Caregiving is hard work. To be your best, you need time for yourself, just as your loved one needs fresh, healthy and engaging experiences. At Rolling Green Village, we have an answer.

We offer short, overnight respite stays (seven-day minimum) for your loved one in a safe, welcoming setting. While they enjoy a bit of pampering and stimulating activities, you can rest, recharge, and catch up with other responsibilities knowing that your loved one is in good hands.

We're the only senior living community in Greenville that offers Heart felt Connections – A Memory Care Program®. Our staff is specially trained in the challenges of memory loss and promoting each person's physical and emotional well-being.
